FOREWORD

It is our pleasure as the Senior Class of 1962 of McLeansville High School to present this volume of THE TROJAN. Our purpose is to preserve the happy memories of our final year at McLeansville within these pages. We have attempted to record here significant personalities and important events on our campus this year. In years to come may those of you who have worked and played with us at M. H. S. look back with pleasure on your days spent here during this year of 1961-'62. It is our honor to say:

This

Is Our Year

of Knowledge

Throughout the high school years, the Senior Class of 1962 has been very active. In our work and in our leisure time activities, class participation has been good. The Junior play was a great success. From early in the morning until the end of the school day, the senior class works hard to gain knowledge; but a time of leisure is also important. This gives the mind a chance to rest and is welcomed by everyone.

School Spirit and Leisure

DEDICATION

We, the Senior Class of 1962, wish to dedicate this edition of THE TROJAN to one who has made our high school days the best possible, Mr. Thurman A. Horney. We have had the pleasure of having Mr. Horney as our principal throughout our high school days. His influence upon us will affect each of our lives causing us to become better citizens of our community, state, and nation. He has helped us build character and develop initiative and effort by setting an example for us. He has been a devoted leader and an asset to our community as well as to our school. He has inspired us to press onward to find our place in the world. Because of the many ways you have helped us, it is with pleasure that we dedicate THE TROJAN of 1962 to you, Mr. Horney.

THIS IS YOUR HERITAGE!

For twenty-eight years we've occupied our offices on the top floor of the Southeastern Building lookin' out east toward McLeansville. During those years and before we have seen citizens of your community become leaders in the city, the county and the state. Bank president, Chairman County Board of Elections, members of the North Carolina General Assembly, insurance executives, leading physicians, lawyers, educators and business men and women. About all it has been said, "If they are from the McLeansville Community, they are honest, energetic, capable and dependable".

This is your heritage! None could be finer.

"So, then, to every man his chance—
To every man, regardless of his birth,
His shining, golden opportunity—
To every man the right to live,
To work, to be himself
And to become
Whatever things his manhood and his vision
Can combine to make him—
This seeker,
Is the promise of America."
